MAY 18, 2026

Dear [Name],

On behalf of JCD Foundation — a vocational scholarship initiative for students in the Fox Valley — I'd like to invite you for a brief conversation. We're talking with educators, employers, and apprenticeship leads across Advanced Manufacturing, Health Sciences, and the Building Trades to make sure the foundation we're building actually fits the careers our students are walking into.

The ask is small: roughly thirty minutes, in person or by phone, your call. You set the agenda. We mostly listen. The transcript becomes raw material for the public site we'll launch once our 501(c)(3) determination lands.

You can learn more at **TheJCDFoundation.org** — or just reply to this letter and we'll find a time that works.

Thank you for the work you do for our kids.

A handwritten signature in dark blue ink that reads 'Bob Vaughan' in a cursive script.
